

James Cook

Ambition leads me not only farther  
Than any other man has been before me  
But as far as I think it is possible for a man to go

Dress me up in that shiny red robe  
Carry me to your sanctuary  
Feed me heart with your prayers  
I'm the one you'd been looking for

Bring me all of your sweet sweet loving  
Give me all of your heart  
Take me to your jewelry  
All of your golden treasures

You say you don't want me  
You say you don't need me now  
You say I betrayed you  
Wicked all from the start

Kill me with your spear  
Cut me with your knife  
Burn me heart with your fire  
Spread the ashes upon my lies

I'm the one you'd been looking for
