Comrades lets ride towards the future  
Guided by the wind we find our way

Comrades lets fly over the tundra  
Fly away from these restless world today

Comrades lets join the future

Easy living essy going on

Take me to the obo  
Sacrifice that white horse  
Sacrifice that white cow  
Sacrifice these nine white sheep  
Sacrifice three white pigs and some of our white hen  
Take me to the obo  
Take me to that wandering lake
