

Alkyone

Far away over the sea
Carried by the waves laughing
Glittering dancing feathers
Secret signs in the dawn
Swelling sails
Bird fish or in between
Bird fish or in between
Bird fish or in between
Bird fish or in between
Bird fish or in between

Långt borta över haven
Buren av vågorna skrattande
Glitrande dansande fjädrar
Tyder hemliga tecken i skymningen
Svällande segel
Fågel fisk eller mittemellan
Fågel fisk eller mittemellan
Eller mittemellan
