

nr5 Helps Carry the burden 4.28

Ibland kan man behöva hjälp att bära sina bördor och den hjälpen kan man nog få om man kan hantera sin stolthet och ta emot hjälp

I can help you

Carry that burden

I can help you

Carry that cross

Far too heavy this burden

Far too heavy to share

Let me follow thee

Let me in to carry the burden

Why do you believe that

That I don't believe

Am I not worthy

Let me help you carry that burden

Let me help you carry that cross
